Background Information:

. This mountain dwarf was born in Thorbadin, he was born of the Hylar class, and being one of several children, decided to dedicate his life to Reorx, and upholding the balance of good and evil in the world. He travelled from his homeland during the War of the Lance to aid the fight against the intrusion of the Dark Queen. He is a well-worn traveller, and his voice can often be heard accompanying him on his way. He sings of his homeland, and the great deeds of his ancestors. He asked to be allowed to join this group of adventurers when told of what they searched for. Having studied the deeds of Reorx, the artifact was a well known legend to him.
