Background Information:

Born on Sancrist, son of a knight of great stature, he was raised in the knighthood. At the proper age he joined the Order of the Knights of the Crown. The knighthood was fighting a great battle, he fought beside his father in the War of the Lance, watching as a Draconian cut him down. His father's last words were of the knighthood. "Always honor The Code and The Measure." When the war ended he swore vengeance on the Dark Queen, and her evil minions. His order called for volunteers to track down and eliminate the last remaining Draconians, and his was the first sword to be put forth.
